

# INTRODUCING EVISHIELD

PRESERVING AND PROTECTING VITAL FORENSIC EVIDENCE

**EVISHIELD can be used to preserve and protect vital forensic evidence by the first officers on-site, until forensic officers can attend for further analysis and collection.**

## Preserve and Protect Evidence

By using EVISHIELD, the Forensic Team is proactively preserving and protecting evidence from all the elements and accidental contamination when time dependant, plus providing provable and continuity of evidence.

# The Product

A waterproof, breathable, windproof material with a tamper evident seal around its edges for adhesive application to surfaces surrounding the evidence.

EVISHIELD
